

## Fast track for sending group of images

You can use this method to send artworks at any time.

From Earth Day (22 April 2023), you will be able to send them directly into the live collective artwork at [www.thewildescape.org.uk](http://www.thewildescape.org.uk)

### STEP 1

Scan or photograph the creature artwork to create a digital colour image – jpeg, PNG, PDF, whatever format is easiest for you. If possible, ask your young artists to note in the corner what kind of animal they have chosen to draw.

**Please remember – no photographs of people and no words. Images that break these rules will not pass moderation to be included in the collective artwork.**

### STEP 2

Send us your images and the overleaf form either by;

**Email (or Wetransfer)** [creatures@thewildescape.org.uk](mailto:creatures@thewildescape.org.uk)

#### **Post**

The Wild Escape creatures  
Art Fund  
2 Granary Square  
King's Cross  
London N1C 4BH

Please note, we cannot return original artwork or images to you.

### STEP 3

**We will email you a unique code** for each individual creature sent in. This will enable you and the young people to find their creature in the digital artwork when it launches on Earth Day, and all the way through to June.

## Form

### Fast track for sending group of images

Please fill in and post this form, or copy text and email to [creatures@artfund.org](mailto:creatures@artfund.org)

#### Key contact name:

(This is the person sending the artworks on behalf of your museum or school):
