

FIND OUR FORGOTTEN CREATURES

...and bring them to life!

Hello and welcome

You might know that we have been trying to create a new artwork as part of a nationwide project called The Wild Escape. Something that showcases the nature we have both here in our building and outside the doors in our local environment.

We must tell you that we have struggled. Everything we came up with for the artwork was something we had seen before. We realised we needed to find our unseen and overlooked creatures, but how could we include what we couldn't see?

Find Our Forgotten Creatures has been created for The Wild Escape, led by Art Fund. Written and directed by Tara Boland, narrated by Konnie Huq.
