

Do you care about the nature around you? Thousands of children across the UK have been creating works of art to celebrate their favourite creatures, so...

...get involved today!

- 1 Search for creatures wherever you might find them. They could be lurking in paintings, the playground, in a book, or even online...

Need some inspiration? Head here: thewildescape.org.uk/get-inspired

- 2 Now make your drawing of your favourite creature using a pen or pencil in your pocket – spend some time getting to know your creature... do more on the other side of this paper.

- 3 Scan this with your phone - follow the instructions to add your creature to the collective artwork – the Wild World!

You'll be given a 3-word code to find it again later. Write it down here.

How would you describe your creature in under 30 letters?
